The **Country**

The **United States of America** is the world's largest national economy, with an estimated GDP in 2013 of $16.8 trillion—23% of global nominal GDP. **Florida** has an estimated population of just under 20 million. It’s culture is a reflection of influences and multiple inheritance; Native American, European American, Hispanic and African American heritages can be found in the architecture and cuisine. It is internationally known for golf, tennis, auto racing, and water sports. Florida has the longest coastline in the contiguous United States, encompassing approximately 2,170 km.
The city

Jacksonville is the largest city by population in the U.S. state of Florida, and the largest city by area in the contiguous United States. It is the county seat of Duval County, with which the city government consolidated in 1968. Consolidation gave Jacksonville its great size and placed most of its metropolitan population within the city limits; with an estimated population of 913,010 as of 2017, Jacksonville is the most populous city in the state of Florida and the southeastern United States. The Jacksonville metropolitan area has a population of 1,626,611. It is the 34th largest MSA in the United States and fourth largest in Florida.

Student life

The Osprey Financial Group is the college’s student managed investment fund. Students gain real-world money management experience as well as experience in using investment tools such as Bloomberg Terminals and Morningstar’s investment analysis platform. The group is housed in the State Farm Companies Foundation Center for Financial Research in the Coggin Business Administration Building. In addition, Coggin is also host to many subject-specific clubs and organizations, including: Alpha Kappa Psi, Alpha Sigma Pi, American Marketing Association,…
